1 SCOPE OF APPLICATION

- 1.1 These terms and conditions apply to contracts for the rental of hotel rooms for accommodation and all other services and deliveries provided by Jagdhaus Eiden GmbH - Romantik Hotel Jagdhaus Eiden am See - for the customer in this context (hotel accommodation contract). The term „hotel accommodation contract“ includes and replaces the following terms: Accommodation contract, guest accommodation contract, hotel contract, hotel room contract. Jagdhaus Eiden GmbH - Romantik Hotel Jagdhaus Eiden am See - is hereinafter referred to as the „Hotel.“
- 1.2 The subletting or re-letting of the rooms provided as well as their use for purposes other than accommodation purposes require the prior consent of the hotel in text form, whereby § 540 paragraph 1 sentence 2 BGB is waived, insofar as the customer is not a consumer.
- 1.3 The customer's general terms and conditions shall only apply if this has been expressly agreed in advance.
- 1.4 The General Terms and Conditions valid at the time the contract is concluded shall apply. These or the latest version of the General Terms and Conditions can be found at www.jagdhaus-eiden.de.

2 CONCLUSION OF CONTRACT, -PARTNER, LIMITATION PERIOD

- 2.1 The contractual partners are the hotel and the customer. The contract is concluded upon acceptance of the customer's application by the hotel. The hotel is at liberty to confirm the room booking in text form.
- 2.2 All claims against the hotel are generally subject to a limitation period of one year from the commencement of the statutory limitation period. This does not apply to claims for damages and other claims, insofar as the latter are based on an intentional or grossly negligent breach of duty by the hotel.

3 SERVICES, PRICES, PAYMENT, OFFSETTING

- 3.1 The hotel is obliged to keep the rooms booked by the customer available and to provide the agreed services.
- 3.2 The customer is obliged to pay the agreed or applicable prices of the hotel for the room rental and the other services used by him. This also applies to services commissioned by the customer directly or via the hotel, which are provided by third parties and disbursed by the hotel. The payment obligation exists irrespective of the actual use of the room.
- 3.3 The agreed prices include the taxes and local charges applicable at the time of performance. Not included are local taxes which are owed by the guest according to the respective municipal law, such as visitor's tax. In the event of an increase in the statutory value-added tax, the introduction of new taxes, or an increase in local taxes on the subject matter of the service after conclusion of the contract, the prices shall be adjusted accordingly. In the case of contracts with consumers, this only applies if the period between the contract conclusion and fulfillment of the contract exceeds four months. If the consumer price index increases by more than 5% between the time of the booking confirmation and the time of the hotel stay, the hotel is entitled to increase the prices. The customer must be informed of this in writing. After receipt of the letter, the customer has a 14-day right of withdrawal. If this right is not exercised in writing, the price adjustment shall be deemed to have been approved.
- 3.4 The hotel may refuse its consent to a subsequent reduction in the number of rooms booked, the hotel's services, or the length of the customer's stay requested by the customer. Should the customer nevertheless reduce the length of stay, the hotel's services, or the number of rooms booked after the cancellation period has expired, the hotelier is entitled to apply the provisions of 4.3.
- 3.5 Hotel invoices without a due date are payable in full within 14 days of receipt of the invoice. The hotel may demand immediate payment of due claims from the customer at any time. The statutory provisions shall apply if the customer is in default of payment. The hotel reserves the right to provide evidence of higher damages.
- 3.6 The hotel is entitled to demand a reasonable advance payment or deposit from the customer upon the conclusion of the contract, for example in the form of a credit card guarantee. This is usually done in the case of first arrivals. The amount of the advance payment and the payment dates can be specified in the contract in text form. In the case of advance payments or security deposits for package tours, the statutory provisions shall remain unaffected. If the customer is in default of payment, the statutory provisions shall apply.
- 3.7 In justified cases, e.g. if the customer is in arrears with payment or if the scope of the contract is extended, the hotel is entitled, even after the conclusion of the contract up to the start of the stay, to demand an advance payment or a deposit security within the meaning of clause 3.6 above or to demand an increase in the advance payment or security deposit agreed in the contract up to the full agreed remuneration.
- 3.8 Furthermore, the hotel is entitled to demand a reasonable advance payment or security deposit from the customer at the beginning and during the stay within the meaning of the above Section 3.6 for existing and future claims arising from the contract, insofar as such has not already been made in accordance with the above Section 3.6 and/or Section 3.7.
- 3.9 The customer may only offset or set off an undisputed or legally binding claim against a claim of the hotel.

4 WITHDRAWAL BY THE CUSTOMER (CANCELLATION, CANCELLATION) / NON-UTILIZATION OF THE HOTEL'S SERVICES (NO SHOW)

- 4.1 The customer may only withdraw from the contract concluded with the hotel if there is a right of withdrawal, has been expressly agreed in the contract, another statutory right of withdrawal exists or if the hotel expressly agrees to the cancellation of the contract. The agreement of a right of withdrawal as well as any consent to a contract termination should be made in text form.
- 4.2 If the hotel and the customer have agreed on a date for a cost-free withdrawal from the contract, the customer may withdraw from the contract up to that date without incurring payment or damage compensation claims by the hotel. The customer's right of withdrawal expires if he does not exercise his right of withdrawal vis-à-vis the hotel by the agreed date.
- 4.3 If a right of withdrawal has not been agreed or has already expired, there is also no statutory right of withdrawal claim to the agreed remuneration despite non-utilization of the service. The hotel has the income from the hotel may deduct the costs of renting the rooms to other parties and the expenses saved. If the rooms are not rented to other parties, the hotel may make a lump-sum deduction for saved expenses. In this case, the customer is obliged to pay at least 80% of the contractually agreed price for accommodation less breakfast, and for arrangements 80% of the price reduced by additional services such as half board, wellness treatments, and breakfast. The customer is at liberty to prove that the aforementioned claim is not or not fully justified, was not incurred in the amount claimed.
- 4.4 The following cancellation policy applies. The hotel grants a cancellation free of charge for reservations of more than 15 rooms up to 6 weeks before arrival, for 6-14 rooms up to 4 weeks before arrival, for 3-5 weeks before arrival. In this case, the cancellation periods according to sentence 1 shall continue to apply.

5 WITHDRAWAL OF THE HOTEL

- 5.1 If it has been agreed that the customer can withdraw from the contract free of charge within a certain period of time, the hotel is entitled to withdraw from the contract during this period if there are inquiries from other customers regarding the contractually booked rooms and the customer, upon inquiry by the hotel, does not waive his right to withdraw from the contract within a reasonable period of time.
- 5.2 If an advance payment or security deposit agreed or demanded in accordance with Section 3.6 and/or Section 3.7 is not made even after a reasonable grace period set by the hotel has expired, the hotel shall also be entitled to withdraw from the contract.
- 5.3 Furthermore, the hotel is entitled to withdraw from the contract extraordinarily for objectively justified reasons, in particular if - force majeure or other circumstances for which the hotel is not responsible make it impossible to fulfill the contract; - rooms or rooms are culpably booked with misleading or false information or concealment of material facts; the identity of the customer, solvency or the purpose of the stay may be material; - the hotel has reasonable grounds to believe that the use of the service may jeopardize the smooth running of the business, the security, or the reputation of the hotel in public, without this being attributable to the hotel's sphere of control or organization; - the purpose or reason for the stay is unlawful; - there is a breach of Section 1.2 above.
- 5.4 The justified withdrawal of the hotel does not constitute a claim for damages on the part of the customer.

6 ROOM PROVISION, HANDOVER AND RETURN

- 6.1 The customer is not entitled to the provision of specific rooms unless this has been expressly agreed. All ancillary agreements, such as room number, location, furnishings, etc., are generally in writing. In principle, unless otherwise agreed in writing, the customer will receive an Economy or Superior double room when booking an offer.
- 6.2 Booked rooms are available to the customer from 15:00 on the agreed day of arrival. The customer is not entitled to earlier availability.
- 6.3 On the agreed day of departure, the rooms must be vacated and made available to the hotel by 11:00 a.m. at the latest. Thereafter, the hotel may charge 50% of the full accommodation price (list price) for the late vacating of the room for its use in excess of the contract until 6:00 p.m., and 90% from 6:00 p.m. onwards. This shall not give rise to any contractual claims on the part of the customer. The customer is at liberty to prove that the hotel has incurred no or significantly lower damages.
